My Dear Sam.

Yours of 4th to me and 13th to Mamma,
wasy at hand and all glad to hear from you.
I trust that you still have reasonable weather &
health and that you and Geo. R. are getting the
better of y^r throat troubles.

I got to Media all right Sunday aft. 14th
and we have had fair weather since then.
We were 140° once 18° in morn- and two days now
catch mist and drizzle.

Mr Burnham is still in Florida and Ph.
Robin leaves for there 27th on which day I
have an appointment with him & Andrew
in New York. Mamma will go over with
us the day before we will stay with
Hall and Edith over night at Bensonhurst.
Late letter from H. says that all are well but
there is no change for the better at 49 North St.
I will write you more fully next week
With kind regards to Geo. Coroff & y^r
